

Del Webb Spruce Creek Pickleball Club Board Meeting

Date: April 22, 2010

Time: 2:00 pm

Location: Horizon Center

Attendance: President: Paul Meredith

Vice President: Sheila Lofland

Secretary: Nancy Crooks

Treasurer: Syd Phelps

Others; Tom Nunn, Roger Fromme, Don Lundergan, Moe Schietecatte, Harry

Callen

Issues	Conclusions / Actions Taken	Assignments Appointed
	Meeting was called to order	
Treasurer's report	Beginning Balance: \$6875.22 Deposits: \$741.75 Expenses: \$773.96 Final Balance: \$6843.01	
Car Show	Exploration on why Car Show did not make much profit. Cost of publicity this year \$123, not done last year. The attendance this year showed that the flyers did not help increase attendance. We are investigating the idea of having the car show in the fall instead—maybe late November early December	
League expenses	Request by Roger Fromme to have club pay for doughnuts for his league. The cost would be \$50, 2 to 3 times per year. There was discussion about having a certain amount of money available for each league to use as needed. It was decided by Roger that the amount of money would not cover the cost of the doughnuts, so his request was dropped.	
Court resurfacing	Plantation has resurfaced their courts with a more cushiony surface and a different color paint around the courts. We are proposing that a group of players from Del Webb go and play

	on their courts and make a report back to the board. We have received the information on the business that did their resurfacing and feel that if we like what we see, we will take the next step in getting an estimate	
Spruce Creek Games	Don Lundergan gave a report on the games. He suggested that next year that the matches are scheduled in alternating pattern-night,day,night, etc. so that if it rains then there is time to make up those matches. He mentioned that we need a permanent way to hang charts on the fence for tournaments. We will investigate that. Next year, bananas , granola bars, water need to be purchased everyday for the competitors, and maybe not beer. The board asked Don to help select the person to run it next year.	
Beginners clinic	Dick Decker had 17 beginners at his one day clinic on April 19 th . We need to make sure that we furnish helpers for the next clinic.	An email thank you was sent to him from the board
Super Soper	Harry Callen reported that it didn't seem to work well and maybe we need some more instruction in operating it.	
Storage building	Larry and Bob Moody will talk about where to put one and what type we need.	
Maintenance List	We need a list of routine maintenance chores that are getting done at the courts.	Moe will compile that list
Bike racks	We need to revisit the way the racks were placed at the courts. They are not being used efficiently.	Syd and Nancy will look into this
keys	The board talked about making sure that all league managers have keys to the locked bin. We also had a request by Don Lundergan to get a key, since he is going to be restocking balls when Harry can't do it.	Paul will do this. Nancy will check the key log to see which managers do not have keys already
Rally for the cure	The pickleball club furnished money and a basket was assembled for the Susan B Komen breast cancer fundraiser. In all, \$2500 was raised from auctioning off all the baskets. A photo will be sent in an email showing our basket	Nancy Crooks will do this
