Issues	Conclusions / Actions Taken	Assignments Appointed
Minutes from last meeting	Read and accepted, will be put online	
Balls	Balls will be ordered in July. 100 dozen balls at \$1.33 per ball and shipping to be added. HOA pays for 25% and the Pickleball Club pays for 75%	
Shed	The HOA is discussing whether to allow us to erect a storage shed behind the bulletin board, to house the super soper, and other supplies.	
Plantation Courts resurfacing	A group of Del Webb players went to the Plantation to play on their newly resurfaced courts. The general opinion is that it is too rough, and some of our people had their feet catch on the surface, almost causing a spill. The cost of the project was \$15,000 for 4 courts. We also have a problem with tree roots, which will increase our costs of resurfacing.. They also painted a contrasting color-red, around the courts. Our people thought that was a good idea.	
	Larry Smiley will be contacting an outside expert to see if we need to start talking about resurfacing some of our courts at the present time. We will focus on the safety of our courts being in jeopardy, due to the tree roots. We would notify the HOA, in writing, of any potential safety issue. We will attempt to have some answers about this at our next meeting.	
Grandkids Day	July 19 <sup>th</sup> at 10:00 am. We will ask for volunteers to help with the kids. We will have ice cream for

	all those who attend.	
4 <sup>th</sup> of July parade	We will have participants in the parade. There will be a decorating party on July 3 <sup>rd</sup> at 7:00 pm at the courts. We have decorations to pass out, but participants may also bring their own stuff.	
Tee shirts	We are investigating putting the new logo on tee shirts, that will be ordered in the future. The problem may be that it has several colors, which makes the price more expensive	
Email voting	We will seek approval from the membership to be able to vote on issues by email, in the future, if needed.	
Pickleball banner	Investigate possibility of putting our new logo on the pickleball banner	Nancy will talk to Larry Smiley and Bob Clark about this
Routine court maintenance	We are asking Moe Schietecatte to compile a list of routine maintenance chores that need to be done at the courts. Moe has been doing most of the chores at the courts, and we need to pass this along to others. We thank Moe for all he has done.	Email sent to him
Key Log	We will examine the log to see that everyone that needs a key to the locked box has one. It will be discussed at the next meeting	Nancy will discover whereabouts of the list
Bulletin board	The bulletin boards need updating	Nancy will do this
shade	It was presented by Sheila Lofland, with information received from Rich Skaare, that the the Del Webb in Arizona had more shade around their pickleball courts, in the form of an extra covering connecting their 2 tent structures (similar to ours). It was brought up that we have to conform to hurricane codes, that Arizona doesn't. There were also large fans that were used, put on timers, to shut off automatically.
